S370

Rondelle normali tornite

Materiale: acciaio classe 8.8

Flat washers

Material: steel class 8.8

S380

Rondelle alte tornite

Materiale: acciaio classe 8.8

Thick washers

Material: steel class 8.8

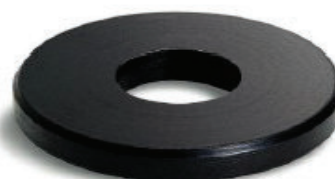

S390

Rondelle larghe tornite

Materiale: acciaio classe 8.8

Broad washers

Material: steel class 8.8
